

# Redeemed to Redeem

Text: II Corinthians 5:11-21

**Introduction:** *God has commanded the human species to "reproduce and multiply" physically (genesis 1:28; 9:1) and Christians do the same spiritually (Matthew 28:19; 4:19; Acts 1:8; II Corinthians 5:20). Over the next four weeks we will focus on evangelism not so much as a method that only a few gifted individuals are good at, but rather as a lifestyle that we can all engage in. Besides the Bible, we will also be relying on Bill Hybel's book, entitled, Just walk Across the Room.*
