

# **I Am Responsible...**

**Introduction:** *In the past two weeks, we have examined the biblical and practical reasons for assuming personal responsibility in our lives. No longer will we imitate our ancestors, Adam and Eve, by pointing a finger of blame at other people for things we have done (Genesis 3:11-13). Our country is sorely in need of leaders who will step to the plate and assume spiritual and moral responsibility for three important areas.*
